

CAREER GUIDANCE COMMITTEE

Role and responsibilities

- Provide personalized career advice based on students' interests, strengths, and goals. This helps them make informed decisions about their career choices, specializations, or further education.
- Organize career development workshops, webinars, and seminars that provide information on career options, the current job market, and trends in the pharmacy sector.
- Assist students in evaluating their strengths, interests, and goals to help them choose the most suitable career path.
- Advise students on career progression, postgraduate options, and specialization areas within pharmacy.
- Organize workshops, seminars, and training sessions on essential skills for the pharmacy profession, including communication, leadership, ethics, clinical practice, and regulatory knowledge.
- Offer training on how to write effective resumes, cover letters, and preparing for job interviews.
- Establish partnerships with pharmaceutical companies, hospitals, research institutions, and government agencies for internships, job placements, and industry visits.
- Organize guest lectures, webinars, and networking events where professionals from the pharmacy industry can share their experiences, offer advice, and discuss job opportunities.
- Provide advice to students interested in pursuing postgraduate studies (e.g., M.Pharm, Ph.D.) or research opportunities in specialized pharmacy fields.

Objective-

- Assisting individuals in exploring various career options and identifying suitable career paths based on their interests, skills, and aspirations.
- Offering up-to-date information on job trends, industry developments, and educational requirements to help individuals make informed choices.
- Organizing workshops, seminars, and training sessions to enhance soft and hard skills necessary for career success.
- Providing one-on-one counseling to individuals to address specific concerns, including choosing a career, setting goals, and overcoming challenges.
