

Library Advisory Committee

Objectives-

1. **Guidance and Support:** Provide recommendations and advice on library policies, goals, and strategic plans to ensure alignment with the needs of the community or institution.
2. **Enhance Services:** Assist in identifying areas for improvement in library services and resources, ensuring that the library meets the needs of its users.
3. **Advocacy:** Advocate for the library within the community or institution to ensure continued support and adequate funding.
4. **Resource Allocation:** Assist in evaluating resource needs and prioritizing budget allocations for books, technology, staff, and other library resources.
5. **Promote Library Programs:** Support the development and promotion of library programs, events, and services to increase engagement and use.
6. **Community Engagement:** Serve as a liaison between the library and its user community, gathering feedback to improve library offerings.
7. **Review and Evaluate:** Review library performance regularly and evaluate the effectiveness of current services and programs.

Rules and Responsibilities-

1. **Regular Meetings:** Attend scheduled meetings and actively participate in discussions about library matters.
2. **Confidentiality:** Maintain confidentiality regarding sensitive issues related to library operations, budgeting, or user information.
3. **Objective Advice:** Provide thoughtful, objective, and unbiased recommendations based on the best interest of the library and its users.
4. **Collaboration:** Work collaboratively with library staff and administration to enhance services and address challenges.
5. **Communication:** Keep the community or institution informed about library developments, needs, and opportunities for involvement.
6. **Promotion:** Actively promote the library's programs, services, and goals to the broader community.
7. **Knowledge and Awareness:** Stay informed about trends in library services, technology, and educational needs to make informed decisions and suggestions.
